Engine Poppet Valve Rocker Arm Cover - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2815-00-409-1193

End Application:
Engine, diesel, propulsion
Special Features:
Cast aluminum body; mso and mcm ships
Reference Number Differentiating Characteristics:
As differentiated by magnetic permeability shall be less than 1.2 before fabrication and not greater than 2.0 after fabrication as measured in
oersted field
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
