Standard Bore Diameter:

4.000 inches

Piston Accommodation Quantity:

1

Ring Set Component Parts:

Dring, piston, top groove compression chrone 1; ring; piston, 2nd groove compression steel 1; ring piston, 3rd groove compression steel with expander 1; ring piston, 4th groove oil steel with expander 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08400
