Casehardening Indicator:

Not casehardened

Concentric Hole Depth:

0.500 inches

Concentric Hole Diameter:

0.393 inches

Overall Length:

2.312 inches

Body Outside Diameter:

0.560 inches

Size Designation:

Standard

Material And Location:

Steel

Adjustability:

Nonadjustable

Operation Method:

Mechanical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T267-f
