End Application:

Special aircraft and engine tool and support equipment

Flywheel:

Included

Flywheel Housing:

Included

Criticality Code Justification:

Agav

Product Name:

Deisel engine mobile electrical power plant

Special Features:

Horsepower: 175; has ddec sensors for: coolant temperature, lube - oil temperature, lube - oil pressure, turbo boost pressure and srs/trs; has electronic control module with ddec connections

Supplementary Features:

Vendor model no: 1043 5k90 4-71ti ddec 70 deg. Tilt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T197-a
