End Application:

TRUC-KT-RAC-TOR,

Product Name:

Wastegate actuator

Special Features:

W""use with garrett model only""; pneumatic operated; mounting bracket with 3 boltho les; attached to garrett model turbosupercharger to actuate wastegate valve; contract number; daae07-96-c-x076 freightliner corporation cage 64678

Relationship To Similar Equipment:

Differs from p/n 23523811 that is used on warner model only

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
