Inlet Connection Type:

Flanged

Center To Center Distance Between Bolt Holes Along Width:

10.562 inches

Center To Center Distance Between Bolt Holes Along Length:

10.692 inches

Bolt Hole Quantity:

3

End Application:

2350-01-436-0005

Bolt Hole Diameter:

Between 0.406 inches and 0.469 inches

Outlet Quantity:

2

Inlet Quantity:

1

Outlet Connection Outside Diameter:

Between 1.120 inches and 1.140 inches

Temperature Regulating Valve Opening:

Not included

Product Name:

Manifold assembly, nbc system, exhaust

Material:

Aluminum

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-g
