

View Online at <https://aerobasegroup.com/nsn/2825-00-950-2229>

Special Features:

Maritime administration

Reference Number Differentiating Characteristics:

740 degrees f temp, 5358 rpm high pressure turbine and 320 degrees f temp, 4422 rpm low pressure turbine, w/accessories and installation parts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T197-c
