**End Application:**

Afterbody section, torpedo mk50

**Product Name:**

Blade, turbine engine

**Special Features:**

Corrosion and heat resistant alloy bar or forging iaw ams 5662; surface roughness 125 microinches; rotation counterclockwise

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A517h0
