End Application:

F-15 aircraft, models a, b, c, d,

Product Name:

Gearbox outline, lh

Engine Section Location:

Accessory gearbox

Special Features:

Configuration change due to elimination of limited duty mode from the f-15 secondary power systems configuration

Reference Data And Literature:

Allied signal engines engineering change proposal ps0037-r1a3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A530f0
