Overall Length:

10.700 inches

Overall Width:

14.500 inches

Material Thickness:

0.100 inches

End Application:

Lcac

Engine Section Location:

Exhaust

Material:

Aluminum alloy 6061 duct

Material Specification:

Qq-a-250/11 federal specification single material response duct

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530f0
