Overall Length:

12.4016 inches

Overall Height:

1.6142 inches

Overall Width:

3.0315 inches

End Application:

Petroleum quality analysis system

Product Name:

Protection

Special Features:

Item: heater protection

Material:

Steel comp 304

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530f0
