Overall Length:

3.857 inches

Overall Width:

0.812 inches

Blade Attachment Method:

Slot

Hardness Rating:

68.0 rockwell a and 73.0 rockwell a

Engine Section Location:

Compressor

Stage Number:

1

Material:

Steel comp 410

Material Specification:

Ams 5613 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A10700
