## NSN 2840-00-347-9420

Aircraft Gas Turbine Engine Compressor Shroud - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/2840-00-347-9420

| Overall Length:                                                             |
|-----------------------------------------------------------------------------|
| Between 0.935 inches and 0.945 inches                                       |
| End Application:                                                            |
| Engine, turbofan, model f100pw100                                           |
| Criticality Code Justification:                                             |
| Agav                                                                        |
| Product Name:                                                               |
| Original name shroud, compressor stator                                     |
| Engine Section Location:                                                    |
| Compressor                                                                  |
| Stage Number:                                                               |
| 4                                                                           |
| Special Features:                                                           |
| Matl ams 5671; 4th stage synchronizing ring, case and stator, disk & blades |
| Material:                                                                   |
| Nickel alloy                                                                |
| Shelf Life:                                                                 |
| N/a                                                                         |
| Unit Of Measure:                                                            |
|                                                                             |
| Demilitarization:                                                           |
| Yes - demil/mli                                                             |
| Fiig:                                                                       |
| A10700                                                                      |
|                                                                             |
|                                                                             |
