End Application:

Aircraft model hu25a atf3-6 engine high pressure case assembly.And no.6 bearing support housing installation

Product Name:

Seal, metallic, special

Special Features:

length 0.438 in.; dia.0.312 in.; height 0.156 in.; includes cup-like feature 0.250 in.Dia.With groove on one side

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10700
