Design Type:

Axial compressor

Product Name:

Rotor assembly-low pressure 2nd stage axial compressor (pre sb 72-3711)(post sb 72-3542)

Engine Section Location:

Low pressure compressor

Stage Number:

2

Specification Data:

99193-3072416-10 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A10700
