Design Type:

Axial compressor

Product Name:

Rotor assembly-low pressure 4th stage axial compressor

Engine Section Location:

Turbine

Reference Data And Literature:

Honeywell tfe731-5br

Specification Data:

99193-3075351-5 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A10700
