Overall Length:

11.00 inches

End Application:

Mh-60m

Product Name:

Strut, inboard aft mount-engine

Special Features:

1.50" thickness x 2.50" width x 11.00" length bar stock, 4340 steel condition c sae ams-s-6415

Material:

Steel

Material Specification:

Sae ams-s-6415 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A526p0
