End Application:

Mh-60m

Product Name:

Stut, inboard inner mount-engine

Special Features:

1.500 thickness x 1.500 width x 9.000 length bar stock, 4340 steel condition c

Material:

Steel

Material Specification:

Sae ams-s-5000 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A526p0
