**End Application:**

Mh-60m

**Product Name:**

Stut, inboard inner mount-engine

**Special Features:**

1.500 thickness x 1.500 width x 9.000 length bar stock, 4340 steel condition c

**Material:**

Steel

**Material Specification:**

Sae ams-s-5000 assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A526p0
