**End Application:**

7-61000000-1

**Product Name:**

Weld assembly

**Special Features:**

Support-nozzle, irs secondary, flange

**Material:**

Stainless steel

**Material Specification:**

Ams5536 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A521b0
