Overall Width:

50.000 inches

Material Thickness:

Between 0.033 inches and 0.039 inches

End Application:

V-22

Hardness Rating:

50.0 rockwell a

Product Name:

Impingement, resista

Special Features:

3ply faa advisory circular ac-135

Material:

Fiber and glass fiber and rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530f0
