Overall Width:

50.000 inches

Material Thickness:

Between 0.055 inches and 0.065 inches

End Application:

V-22

Hardness Rating:

50.0 rockwell a

Product Name:

Impengement, resista

Special Features:

5ply, faa advising cirular ac-145

Material:

Resin silicone and glass fiber and fiber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530f0
