End Application:

Aircraft a-9

Product Name:

Stage 1 turbine wheel

Engine Section Location:

Turbine

Special Features:

Part of disk and hub, compressor, aircraft gas turbine engine; also marked on wheel p/n 6026t44p01 is turbine wheel assembly p/n 841b690p9; lcf cycles: 3000; note: life limited part the 634e583p5 and 6028t44p01 wheels may be used interchangeably

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10700
