**End Application:**

Aircraft a-9

**Product Name:**

Stage 1 turbine wheel

**Engine Section Location:**

Turbine

**Special Features:**

Part of disk and hub, compressor, aircraft gas turbine engine; also marked on wheel p/n 6026t44p01 is turbine wheel assembly p/n 841b690p9; lcf cycles: 3000; note: life limited part the 634e583p5 and 6028t44p01 wheels may be used interchangeably

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A10700
