Fabrication Method:

Soldered

Outside Diameter:

2.750 inches

Diameter:

19.000 inches

Length:

30.875 inches

Self-sealing Feature:

Not included

Connection Thread Size:

1.500-11-1/2 end

Mounting Bracket:

Not provided

Filler Cap:

Included

Connection Thread Series:

Nptf

Opening Quantity:

1 end

Capacity:

21.5 gallon, us measure

Baffle:

Not provided

Filler Neck:

Included

Distance From Filler Neck End To Tank Body:

Any acceptable

Line Connection Opening Location:

Top

Opening Connection Method:

Thread

Drain Opening:

Not included

Liquid Quantity Transmitter:

Included

Material:

Steel

Material:

Steel

Shape:

Oval

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-c
