**Mounting Type:**

Unthreaded hole head

**Body Length:**

7.312 inches

**Design Type:**

Reusable

**Features Provided:**

Drain cock

**Filtering Media Design:**

Single stacked disks single filtering media response

**First Intake Connection Type:**

Threaded internal pipe head side

**First Discharge Connection Type:**

Threaded internal pipe head side

**First Intake Thread Series Designator:**

Nptf

**First Discharge Thread Series Designator:**

Nptf

**First Intake Thread Size:**

0.250 inches

**First Discharge Thread Size:**

0.250 inches

**First Intake Thread Direction:**

Right-hand

**First Discharge Thread Direction:**

Right-hand

**Material:**

Steel sediment bowl

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A24000
