Product Name:

Digital controller for isochronous generators with load sharing capability

Engine Design Control Activity:

44940

Speed Range Rated At Idle:

500.0 miles per hour

Speed Range Rating Full Load:

500.0 miles per hour

Special Features:

Cage code 31361 is the oem for this item-of-supply

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512f0
