End Application:

3930-01-269-4938

Special Features:

Irregular shaped with air inlet tubes designed to measure amount of pressure and control distribution of liquid fuel

General Description:

Irregular shaped with air inlet tubes designed to measure amount of pressure and control distribution of liquid fuel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
