**End Application:**

3930-01-305-2111

**Special Features:**

Nozzle opening pressure 3000.0 nom psi; pump operating speed-half engine speed; pump rotation cw from drive end; full load rpm 2500.0; w/electric shut-off; media artic fuel; appl to diesel engine, 6059tf

**General Description:**

Nozzle opening pressure 3000.0 nom psi; pump operating speed-half engine speed; pump rotation cw from drive end; full load rpm 2500.0; w/electric shut-off; media artic fuel; appl to diesel engine, 6059tf

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
