**Connector Manufacturer Code:**

03798

**Actuation Method:**

Electronic

**End Application:**

Generator, 9.0 btg, westerbeke corporation

**Electrical Connection Type:**

Connector plug

**Internal Battery Accommodation:**

Not included

**Voltage Rating At Maximum Rated Current:**

12.0 volts

**Phase:**

Two

**Special Features:**

Part of electrical wiring harness

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T109-d
