Fabrication Method:

Welded

Width:

0.120 inches

Diameter:

92.500 inches

Length:

19.500 inches

Self-sealing Feature:

Not included

Specific Equipment Accommodated:

2350-01-390-4683

End Application:

2350-01-390-4683

Mounting Bracket:

Not provided

Filler Cap:

Not included

Baffle:

Provided

Filler Neck:

Included

Product Name:

Tank fuel, right

Special Features:

Fuel tank right vehicular

Height:

19.500 inches

Material:

Steel, corrosion resisting

Material:

Stainless steel

Shape:

Irregular

Purchase Description Identification:

06085-12364468

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T109-c
