Fabrication Method:

Molded

Length:

50.610 inches

Self-sealing Feature:

Not included

End Application:

2320-01-380-8604

Drain Plug:

Not included

Mounting Bracket:

Not provided

Capacity:

24.1 gallon, us measure

Baffle:

Provided

Filler Neck:

Included

Drain Opening:

Not included

Liquid Quantity Transmitter:

Not included

Special Features:

Tank assembly, fuel, expanded

Height:

12.000 inches

Material:

Plastic

Material:

Plastic

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-c
