End Application:

P/n d-wk-811-14 magnetic controller onboard 420 ft wagb coast guard vessels

Operating Temperature Rating:

Between -40.0 degrees fahrenheit and 250.0 degrees fahrenheit

Mounting Position:

Horizontal

Special Features:

Material nylon; operating pressure max. 100 psi at 70 degrees f; lead wire gauge - no. 22

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
