Overall Length:

2.220 inches

Overall Height:

0.620 inches

Overall Width:

0.018 inches

End Application:

Tactical vehicles

Special Features:

Bnha chasis, truck; 2320-01-447-6345; to be used with 0.125 od tubing iaw 12380054; fitting shall be iaw sae j517; parts shall be capable of supporting system performance requirements of 12422173

Material:

Copper alloy

Thread Size And Series/type Designator:

0.312-24 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
