**Special Features:**

Element type single element element styl spin on filter length mm 180 filter diameter mm 77 water separator-no fuel heater-no fuel heater  
voltage f-na fuel thep sensor- no absolute filtration 5 micron lift pump no lift pump voltage n/a

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24000
