**Product Name:**

1500 w 240v engine heater

**Special Features:**

Tubular screw type body style, noninfrared, heatquantity type 1, watt densityrating not rated, wattage 1500, elementquantity type 1, voltage and currenttype 240v ac, element material is copper

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
