**End Application:**

2320-01-437-6957

**Pressure Rating:**

30.0 pounds per square inch

**Wattage Rating:**

200.0 watts

**Voltage In Volts And Current Type:**

24.0 dc

**Product Name:**

Bowl with fuel heater

**Special Features:**

Max temperature rating 250 degrees fahrenheit

**Supplementary Features:**

Not for use in gasoline applications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
