End Application:

F100-pw-100

Special Features:

C/o: cap-aaa414d2a, differential pressure indicator-rc980mf0h8, element-aca414e12

General Description:

Part of fuel supply manifold ay

Reference Number Differentiating Characteristics:

As differentiating by source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
