**End Application:**

F100-pw-100

**Special Features:**

C/o: cap-aaa414d2a, differential pressure indicator-rc980mf0h8, element-aca414e12

**General Description:**

Part of fuel supply manifold ay

**Reference Number Differentiating Characteristics:**

As differentiating by source control

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
