End Application:

Fuel transfer/coolant pump, p/n 395600, 395900 for b1-b acft

Product Name:

Pump element assembly/fuel element assembly, pump

Special Features:

Rockwell spec

Reference Data And Literature:

T.O.1b-1b-4-28, figure 11

General Description:

Parts incl impeller, 214431, and housing, 214429-1; shaft & rotor assembly, 217084-1; housing & stator assembly, 217081-1; underspeed switch, 217080; elec connector plug, 217087

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
