End Application:

Fuel pump, p/n 380200-17, f15 aircraft

Functional Description:

Discharg pressure adjusting valve for fuel transfer pump

General Description:

Alum alloy 2024-t851, anodize; threaded mtg facili type 0.5625-18unf-3a, 2.590 - 2.620 in. Lg to connector other end; connector at 90 degrees 1.135 in. Nom dp w/0.500-20unf-3b helical coil insert

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
