Terminal Quantity:

3

Terminal Type:

Quick disconnect, male

Mounting Hole Diameter:

0.265 inches

Mounting Style:

Three hole triangular

Distance Between Holes Along Width:

1.750 inches

System Voltage Rating:

24.0

Terminal Encasement:

Not encased

Center To Center Distance Between Holes Along Width And Hole Along Length:

4.860 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A18400
