Terminal Type:

Connector, receptacle w/internal contacts

Environmental Protection:

Fungus resistant

Shock Mount:

Not provided

Radio Interference Shielding:

Not provided

System Voltage Rating:

28.0

System Ground Polarity:

Positive err-100 err-100

Terminal Encasement:

Encased

Conduit Connection Quantity:

2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A18400
