Body Length:

3.922 inches

Body Width:

3.063 inches

Body Height:

1.406 inches

Mounting Configuration:

Snap on mtg feature

Special Features:

1-1/4 in. W opening cut in small end of horse shoe shaped cover

Material:

Steel

Material:

Steel

Fsc Application Data:

1. Egnine generator terminals, vehicular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T23700
