Body Material:

Steel

Terminal Quantity:

1

Terminal Type:

Threaded hole

Angle In Deg:

Any acceptable

Resistor Element Type:

Composition

Electrical Resistance:

Any acceptable

Terminal Characteristic:

Protruding

Special Features:

Mtg bracket attached

Shape:

Straight

Terminal Type And Quantity:

1 threaded hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T130-n
