**Application Design:**

Power supply

**Body Length:**

15.000 inches

**Body Height:**

3.000 inches

**End Application:**

2350-01-091-5405

**Special Features:**

Rain hood second generator

**Special Markings:**

No step

**Material:**

Aluminum alloy

**Material:**

Aluminum alloy

**Surface Treatment:**

Enamel

**Surface Treatment:**

Enamel, black

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T23700
