Overall Length:

9.481 inches

Overall Width:

7.242 inches

Attachment Hole Diameter:

0.486 inches

End Application:

2320-01-380-8604; i/g

Product Name:

Support, 100 amp alternator & power steeringmmounting

Special Features:

Weapon system designaot; hmmwv

Material:

Iron

Material:

Iron

Shape:

Cylindrical

Supplementary Features:

Ductile iron, grade 65-45-12, i/a/w astm a536

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T135-f
