End Application:

Nha: d5n track-type tractor; electrical group

Component Quantity:

7

Component Document Origin:

Industrial

Document Source:

11083

Document Type:

Catalog sheet

Package Model Number:

199-8436

Product Name:

Kit-terminal (alternator)

Special Features:

Kit includes: holder assembly, plate, insulator, pin, bolt, gromment and nut

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
