End Application:

Panel, 120v pmp start

Product Name:

Lucc12fu starter, starter control unit

Voltage In Volts:

240.0

Special Features:

Winch contro, magnetic trip setting is 14.2 times the fla setting, operating voltage is 110/240v, thermal trip setting is 3a to 12a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23400
