End Application:

Electrical group

Product Name:

Starter - 2-3kw

Special Features:

Electrical gr. Ssr name is starter, engine, elec. Manufacturer's model (hitachi) is s13-204. Vendor (yanmar) p/n is 129900-77010. Engaging system is 12v. Rated time is 30 sec. output is 2.3kw. Mass is 5.5kg. Direction of rotation is clockwise viewed from pinion end. Engagement system is magnatic shift. Ground is body. Clutch system is overrunning. Operating voltage is 8.6v max.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23400
